Specialty Paint Formulas from a Name You Can Trust

The FolkArt name indicates quality, and our specialty formulas are no exception! We recognize the need for exceptional touches that give handmade projects the “wow factor” – so we developed four special lines with the same high performance as our regular acrylic paint. Create a variety of painting effects and have fun at the same time!

Special Projects Require Special Touches! Four Fabulous Formulas to Choose From

FolkArt® Extreme Glitter

FolkArt Extreme Glitter allows you to get the “glitz” look for your projects without all the mess. The color palette features 15 colors, including all-time favorites, today’s trend-right shades and brand new Neons.

FolkArt® Chalkboard Paint

FolkArt Chalkboard Paint is perfect for decorating furniture and creating fabulous kids’ crafts. This paint is available in common chalkboard colors as well as fun and bright shades for children.

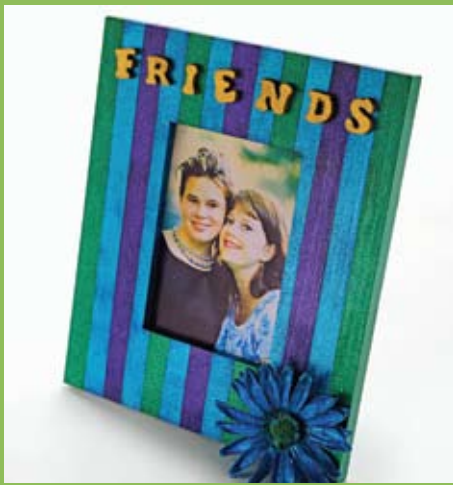

FolkArt® Stains

FolkArt Stains give your craft surfaces a beautiful wood grain. Use alone to achieve a beautiful sheen, or apply as a basecoat for other craft and decorative painting.

FolkArt® Texture

FolkArt Texture is a full-bodied formula used to add decorative dimension and texture to home accents, crafts and school projects. Applies like cake icing and dries with raised texture.

Extreme Glitter Neons

Sugar Glitter Makes a Bold Statement!

Add vibrant highlights and details to your projects with new neon glitters. These easy-to-use glitters boast a heavy pigmentation, giving you the bright, shimmering neon look you've been seeking.

- Simply apply FolkArt® Extreme Glitter™ with a brush—repeat until desired shimmer is achieved. Or, apply over a similar FolkArt Neons color and you've got that bright shimmer of fine "sugar" glitter.
- Use on wood, papier-maché, terra cotta and most porous surfaces.
- Use for decorative purposes only on ceramics. Not dishwasher safe.
- Color palette of four colors includes the most popular neon shades.
- Waterbase, non-toxic.
- Available in 2 oz. flip-top bottle.
